

A COST EFFECTIVE PRODUCT TO ADDRESS MULTIPLE PRODUCTION ISSUES – PARAFFIN, SCALE, CORROSION, OIL CARRYOVER, WELLBORE DAMAGE and IRON SULFIDES.

**DELIVERING ROI FOR THE OPERATOR!**

# CHAINBREAKER

**CAN SOLVE  
YOUR PROBLEM**

ChainBreaker is a proprietary, highly concentrated, non-pathogenic natural bacterium formulation designed to treat paraffin, wax build-up, scale and wellbore damage in a cost effective and environmentally friendly manner.

## FEATURES:

- Concentrated
- Easy to Apply
- Long Shelf Life
- Non-Hazardous
- 40+ Species

## BENEFITS:

- Breaks Down Paraffin/Asphaltenes
- Reduces Oil Viscosity
- Generates BioGas
- Encapsulates Sulfur & Calcium
- Generates BioSurfactants

## APPLICATIONS:

- Production Wells
  - ▶ Vertical
  - ▶ Horizontal
- Waterfloods
- Storage Tanks
- Pipelines
- Disposal Wells
- Slop Oil Treatment
